**KEYLESS WATCHES,
(Stem-Winders.)**

The Keyless mechanism to a watch is one of the great mod-
ern improvements in watch work, it does away with the old-
fashioned key, with which so many persons have ruined their
watches. The watch is wound by turning a small knob
placed on the back of the watch, instead of the ordinary
method of winding, in which the hands are set in the same way.
The advantage of this is obvious, the watch is not liable to
be wound in winding, in which the hands are set in the same way.

OBSERVATIONS.

1 All the above watches can be had in smaller size to suit
for ladies' wear at the same price. Monarchs, Infants,
armies, etc., engraved on the back of the watch face of charge.

2 All our Watches are thoroughly finished and ready for
immediate use, and will be accurately packed in Mo-
narch case, post free, to any part of the world, together with
screwdrivers, pliers, and keys, being a great con-
venience, as in many out-of-the-way places, it is almost a mat-
ter of impossibility to replace one of these articles.

3 Every watch is accompanied by a written warranty,
guaranteeing the regularity and superiority of its work-
manship for 3 years, during which time no charge will be
made for repairing if the watch is returned post free.

4 All our Gold Cases are 18 carat Gold; the Silver Cases
are of the best sterling Silver.

5 Six per cent. discount will be allowed on orders for six
and more watches.

6 All our watches have compensation balance, which ren-
ders them equally accurate in either hot or cold climate.

7 All watches may be plain or without jewels, or with
hands, with engraved, plain or of engine turned
cases, without difference of price.

8 No orders from abroad filled unless accompanied by a
remittance to cover the amount, or a reference to a Bos-
ton house.

Persons residing in any part of the world need not hesitate
to order their watches from this establishment, as they may rely
upon receiving the exact watch ordered by them, which if not
satisfactory, will be returned to them free of charge, and the
money refunded. The best means of sending money is by draft on
New York, Paris or London, which can be procured at any
banker and everywhere, and the amount in bank-notes, gold
coins or postage stamps of any country of the world. All
orders, the smaller the quantity, the more prompt, will receive
the same particular attention and will be forwarded without
delay. We respectfully ask for a trial order.
